

ACIT Care

ACIT Care puts our customers first and doesn't waste their time or money. Our Care bundles let you get the help you need when you need it, without breaking the bank. Paying up front for your support means peace of mind and no fixed monthly/annual subscriptions costs.

Expert help – Personalised support – No fixed subscription costs

We've made it as easy as possible to reach one of our friendly team every time you call or e-mail.

Our 'ACITea' philosophy means we won't waste your time by keeping you on hold while we investigate the issue. That leaves you free to get a cuppa while we do all the hard work!

No matter the issue - We have a team of IT professionals competent in a range of IT backgrounds, offering support for:

- Servers and Networks
- Microsoft 365 incl. SharePoint/OneDrive/Azure/Emails
- Desktops/Laptops/Macs/Tablets
- Secure Remote Access solutions
- and more...

Reactive and Proactive - We can also perform routine checks and maintenance on your IT systems, software and accounts. This is always pre-agreed with you to ensure you don't consume hours you're not aware of.
